ALPINE HEALTH EMPLOYEES

Unpaid overtime and not being covered by Workcover

Employees at Alpine Health should not work at any time that they are not authorised to through their roster or through an agreement to work paid overtime.

If you do, it leads to the hours of you or another worker being cut because you're doing it for free.

Even more importantly, you are not covered by Workcover for time when you are not being paid: if you get injured you are on your own.

The Union recommends in the strongest possible terms that Alpine Health employees not work unpaid overtime. Unpaid overtime is illegal and severely impacts on you. For further information call your Organiser, Steve Mitchell, on 0419 753 812 or the union office on (03) 9341 3300.
