Payment for uniforms and protective clothing

ACSAG is required to provide any uniform or special clothing that they require employees to wear to work.

This is set out in clause 20 of the Enterprise Agreement covering ACSAG:

20 UNIFORMS AND LAUNDRY

“20.1 Employees required by the Employer to wear uniforms will be supplied with an adequate number of uniforms appropriate to the occupation free of cost to Employees. Such items are to remain the property of the Employer and be laundered and maintained by such employer free of cost to the Employee.”

ACSAG is also required to pay for any gloves, masks, protective clothing and safety appliances that you need to safely perform your job functions.

If you are being forced to pay for your uniform or special clothing the Health Workers Union can help you. For further information or assistance please call the team at your union office on (03) 9341 3300.
